

12th INTERNATIONAL CONFERENCE ON MATERIALS SCIENCE (ICMS-2024)

09-10 July 2024 || Ulaanbaatar, Mongolia

Call for Abstract

The Naadam Festival is Mongolian official holiday festival and included on of Top 10 festivals in the world and registered by UNESCO World Heritage. Naadam national festival celebrated every year from 11 to 13 July across Mongolia.

INVITATION TO ICMS-2024

The 12th International Conference on Materials Science will be held at the Institute of Physics and Technology, Mongolian Academy of Sciences from 09 to 10 July 2024 in Ulaanbaatar, Mongolia.

The conference will focus on the structures, properties, applications of new materials and characterization techniques.

Interested scientists from all countries are very welcome to the participate!

We are looking forward to seeing you in Ulaanbaatar, Mongolia.

The Organizing Committee

Main topics will include, but are not limited to:

- ✓ Functional materials (magnetic materials, materials for renewable energy and batteries, nanomaterials)
- ✓ Condensed matter physics (structure and dynamics in complex systems, particulates and cluster physics, phase transition)
- ✓ Computational methods (ab initio calculation, modeling and simulations)
- ✓ Experimental methods and instrumentation
- ✓ Advanced materials

CONFERENCE ORGANIZERS

- ✓ Mongolian Physical Society, Mongolia
- ✓ National University of Mongolia, Mongolia
- ✓ Mongolian Academy of Sciences, Mongolia
- ✓ Inner Mongolia Association of Science and Technology, China
- ✓ Inner Mongolia Normal University, China
- ✓ Inner Mongolia Physical Society, China
- ✓ Buryat State University, Russia
- ✓ Siberian Branch of the Russian Academy of Sciences, Russia

IMPORTANT DATES:

- Registration- May 15, 2024
- Abstract submission - June 15, 2024
